Christina loves to road bike or take indoor cycling classes, both barre-style classes and Pilates, and loves to lift weights. When Christina isn't in nature or finding ways to move her body, she reads novels, cooks, and bakes. She is always eager to travel and experience new people, places, and things. Much like the weather outside this spring our finances have been a little dreary for 2024. Some unexpected building maintenance issues have made an impact on our financial situation. Recently, we sent out everyone's giving statements updated through the first few months of 2024. If you haven't already, we ask that you please review the statement and check your progress on your pledge for 2024. Every pledged dollar truly makes a difference as we deal with these unforeseen issues. With your help, we know that these rainy days will pass and look forward to sunnier days ahead! Please contact Brian Osowski (bosowski15@gmail.com) if you have any questions.
